COMMERCIAL INDUSTRIAL ROOFING – 8 WEEK COURSE

Regina Trades and Skills Centre offers a Commercial & Industrial Roofing course. The program will provide learners with the basic fundamental knowledge and practical skills needed to gain employment in the commercial & industrial roofing industry. There is no tuition to attend our training, and we connect you to industry with a 2 week work placement at the end of the course. Awesome Employers are looking to hire our students and this is a perfect opportunity to start out in a high demand trade!

You will learn about the theory of flat roofing, control zones, flat roofing systems and flashings. You will learn all skills needed to secure entry level employment in this industry.

REQUIREMENTS

- Grade 10 Recommended
- A Criminal Record and Vulnerable Sector Check may be required by your work placement
- Valid Class 5 Driver's License recommended (may be madatory with some companies)
